

Dear Devil After Dark Runners,

Race day, September 15, 2018 is quickly approaching! I hope all of your training has been going well and that you're ready to have a great time! Below are some details for the event weekend which should answer any questions you may have. *After reading it in its entirety*, any questions left unanswered, feel free to email me.

1. **PACKET PICK UP: SATURDAY, September 15:** Packet pick up is race evening at the start line. Please leave enough time to get checked in before your race start and plan on ABSOLUTELY no later than 30 minutes prior to your race start time. You MUST wear your loaner TIMING CHIP on YOUR SHOE in order to be timed!
2. ***Please: If you do NOT plan on racing, do NOT take your TIMING CHIP***
3. **PARKING:** Please pull into Lovell Canyon Rd and we will direct you where to park NO EARLIER than 4pm please. Overflow parking will be along Highway 160, clearly off the shoulder of the road. ***Note*** we will not be shuttling from Sandy Valley Road this year.
4. **SPECTATORS:** While Lovell Canyon Road is not closed to vehicular traffic, we ask that spectators remain at the start/ finish line for everyone's safety. It is a sparsely traveled road, and I would like to keep it that way on race day. Spectators should note that there is no shelter and no concessions at the race, and race provided food is for registered athletes only. Spectators should come self sufficient with their own food, water, and warmth.
5. **CLOTHING BAGS:** Each runner may have a clothing bag left at the start / finish line. Please use your own bag and label it with your name. PLEASE ensure that you collect your bag after the race as NO bags will be mailed. A tarp will be laid out for these bags, so just place it there. It is not a formal collection and no one will be in charge of "supervising" the area, so no valuables please.
6. **HEADLAMPS:** All runners are required to be reflective from front and back AND wear a headlamp or carry a handheld flashlight. The course is NOT lit.
7. **MILE MARKERS:** Mile markers will be placed every mile for the 5K, 10K, ½ Marathon, and Marathon. Signs will be inside of traffic cones and are color coded as follows: ALL outbound miles will be in BLUE. After your turn around the Marathon will continue in BLUE, ½ Marathon in GREEN, 10K in SILVER, and 5K in Purple. Your turn around points will have signs, an orange traffic cone, and possibly a volunteer. Please display and communicate your bib number to the clipboard volunteer. The course is very easy to follow.
8. **AID STATIONS:** All aid stations will have water and Hammer HEED electrolyte drink. Aid Stations designated as *Ultra* will be additionally provisioned with Hammer Gel, salty and sweet snacks, Hammer Electrolyte tablets, basic first aid, etc. Please check the website for complete aid station location details for your distance.

9. **PORTABLE TOILETS:** Portable toilets will be available at the start/ finish line and 3 will be on course. Please see the “aid stations’ descriptions on the website for their exact locations for your distance race.
10. **SAFETY:** Your safety is the utmost concern of Calico Racing. The road is very sparsely traveled, however IS open to vehicular traffic. On the way out you will run on the LEFT side of the road, running against traffic. After your turn around you will cross over the road and continue running against traffic. The road is not coned off from traffic. **An EMT will be on site the entire event dispatched out of the start/ finish line.** Please alert an aid station volunteer, ranger, or another runner should you need help! ****Cell service is spotty at best****
11. **ENVIRONMENTAL SAFETY:** No runner, spectator, volunteer or others may cross undisturbed US Forest lands. Stay on the roadway and course at all times and do not step onto the vegetation. Leave any wildlife alone.
12. **DESERT TORTOISE:** The Desert Tortoise is a threatened species on the Endangered Species list. Though you are unlikely to see one, if you do encounter one- do NOT touch it. Give it its space and do not approach it.
13. **VOLUNTEERS:** As with every race, volunteers are a vital part of the event. Finding volunteers is always a challenge. While all of these positions are attended to, I would love to have a few more volunteers to alleviate the burden on these kind souls. If anyone has friends or family coming to watch that are willing to commit to a few hours on an assigned post- please email me. It’d be much appreciated by all! Please be kind and THANK your volunteers.
14. **FINISH LINE:** This is a chip timed event. Please attached your chip to your shoe with the fasteners provided in your envelope. **YOU MUST RETURN YOUR CHIP!** Volunteers will be at the finish line to help remove it. Be sure to clearly display your bib number for manual back up timing.
15. **PHOTOGRAPHY:** I am proud to have *M Bradford Photography* on course photographing the event. Photos will be available on the Calico Racing website a few days after the event. He will email everyone once they are ready to view and purchase.
16. **WEATHER:** Due to the elevation and being under the US Forest you can expect **temperatures around 10 degrees cooler than the Las Vegas Valley.** For the race venue: The extended forecast as of September 4th, we should expect race start temps (5pm for marathoners) in the mid 80s; cooling to mid 70s. Sunset is at 6:48pm.
17. **POST RACE:** Food and drink will be available at the finish line for registered athletes only. *Wet and dry hand towels* will also be available at the finish area so you can towel off after the race. Please return all used towels in the clearly marked bin provided.
18. **AWARDS:** Awards will be handed out at the finish line. We should start them shortly after the bulk of runners have come in after each race. If you think you may have qualified for an award, please listen for your name to be announced prior to leaving the venue to avoid a shipping charge.

Lastly:

I want to take a moment to express my sincere thanks to each and every one of you for attending the Devil After Dark Race @ Lovell Canyon event. Welcome back to the many returning runners- Your continued support is SO important and appreciated. To those of you that are new to Calico Racing- welcome to the family! We are a smaller event than many of you may be used to- but that is what can make it so great. A personal race with first rate amenities. With your help, I hope to position this and other Calico Racing events for future growth and a lifelong achievement of passion, environmental responsibility, fun, and of course... running.

See you all soon!

Joyce
